

**ASSOCIATION OF ARBITRATORS  
KWAZULU-NATAL BRANCH**

**CONSTRUCTION CONUNDRUMS**

The following topics will be canvassed at the Association’s next function to be presented at:

**Time: 14h30**  
**Date: 2 July 2009**  
**Venue: Durban Country Club**

- Guarantees
  - How good is the JBCC guarantee?
  - Can you claim on a copy of a guarantee?
- How many works completion lists can the principal agent issue?
- How important is a tax invoice for payment in terms of the JBCC?
- Can an employer insist on arbitration of disputes under the JBCC?
- How does the main contractor deal with a subcontractor’s extension of time claim attributable to late design information when the main contractor is not responsible for design?
- What can legitimately be deducted from a payment certificate?
- A nominated subcontractor messes up – what claims do the employer and main contractor have?
- How easy is it to cancel under the FIDIC contract?
- Tenders
  - How to prepare a compliant tender
  - How should they be adjudicated?
  - BEE scoring
  - Can an unsuccessful tenderer claim damages?
- The imposition of penalties revisited

**Presenters:**  
**Alastair Hay, Branch Chairman of the Association**  
**Graham Whyte, Professional Engineer and Experienced Arbitrator**  
**Richard Hoal, Practising Attorney and Association Member**

ASAQS members attending will gain **CPD** points. **CPD** accreditation for SAICE and Institute for Architecture members is pending.

Free snacks and a cash bar will be available after the function.
